Dignity

How do you ensure that Joe is treated with dignity and respect at all times, and able to enjoy a full range of social relationships within his capabilities?

Privacy

How do you ensure that Joe has his privacy and property respected, and that he is free from unnecessary intrusion?

Choice

How do you enable Joe to make informed choices, while recognising the rights of other people to do the same? How does he know about the range of choices available to him?

Safety

How do you ensure that Joe can feel safe and secure in all aspects of his life (including his health and wellbeing); that he can enjoy safety without being over-protected, and be free from exploitation and abuse?

Realising Potential

How do you assist Joe to achieve all he can, make full use of the resources that are available to him, and make the most of his life?

Equality & Diversity

How do you help Joe to live an independent life, rich in purpose, meaning and personal fulfillment; to be valued for his ethnic background, language, culture and faith; be treated equally and be cared for in an environment free from bullying, harassment and discrimination; and be able to complain effectively without fear of victimisation?

Your Own Development

What training have you attended since your last review? What parts of the caring task do you find most difficult? Are there areas where you feel you need to improve your skills or knowledge? What training would you like us to provide? What type of training do you prefer (e.g., online, seminars, workshops, reading, conferences, etc?)
